

Compensation Committee Charter

The Board of Directors (the “Board”) of Adtalem Global Education Inc. (with its consolidated subsidiaries, “Adtalem”) has adopted this charter for its Compensation Committee (the “Committee”). This charter is intended to supplement the provisions of Adtalem's By-laws pertaining to the Committee. The purpose of the Committee is to carry out the responsibilities delegated by the Board relating to the review and determination of executive compensation.

Membership

Number and Qualifications. The Committee shall consist of three or more directors, all of whom, in the judgment of the Board, shall be independent in accordance with the New York Stock Exchange listing standards and Rule 10C-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, a person may serve on the Compensation Committee only if the Board determines that he or she is a “Non- Employee Director” for purposes of Exchange Act Rule 16b-3.. Any action taken by the Committee during a period in which one or more of the members subsequently is determined to have failed to meet the membership qualifications shall nevertheless constitute duly authorized actions of the Committee and shall be valid and effective for all purposes, except to the extent required by law, the standards of any securities exchange upon which Adtalem’s securities may be listed, or as determined appropriate by the Committee to satisfy regulatory requirements.

Appointment. The Board, upon the recommendation of its Nominating and Governance Committee, shall elect the Chairman and other members of the Committee on an annual basis, generally at the first meeting of the Board following Adtalem's annual stockholders meeting.

Rotation and Removal. To assure familiarity with the issues facing the Committee, the Chairman should generally have served at least one year on the Committee prior to becoming Chairman.

The Board may, pursuant to the By-laws, remove a member of the Committee, or replace the Chairman, provided that the Board must, at all times, assure that the Committee will have a Chairman and sufficient members to satisfy the requirements set forth above relating to the number and qualifications of Committee members.

Responsibilities

Subject to the provisions of Adtalem's By-laws, the principal responsibilities of the Committee are as follows:

- 1. Board Compensation.** Annually review and assess all compensation, including cash and equity-based compensation paid to nonemployee directors. Engage an independent compensation consultant to advise the Committee in connection with the annual review and assessment, including the amount and type of nonemployee director compensation to be paid for the following year and the comparative data deemed appropriate by the consultant. Make recommendations to the Board, on the basis of such review and assessment, whether to make, on a prospective basis, any changes in the compensation payable to the nonemployee directors. No member of the Committee will act to fix his or her own compensation except for uniform compensation to directors for their services as a director.

2. Chief Executive Officer Compensation.

- (a) Review and approve, following discussion with the other independent members of the Board, corporate goals and objectives relevant to the compensation of the Chief Executive Officer (“CEO”).
- (b) Evaluate the CEO’s performance against established goals and objectives.
- (c) Determine and approve the CEO’s compensation level based on this evaluation, either as a committee or together with the other independent members of the Board (as directed by the Board).
 - (i) In making this recommendation, consider the results of the annual CEO evaluation led by the Chairman of the Board or Lead Independent Director, as appropriate.
 - (ii) In determining the long-term incentive component of the CEO's compensation, the Committee may consider, among other factors, Adtalem's performance and relative shareholder return, the value of similar incentive awards to CEOs at comparable companies, the awards given to the CEO in past years, the CEO's expected future contributions, the most recent stockholder advisory vote on executive compensation (“say on pay”) required by Exchange Act Rule 14a-21(a), and any other factors the Committee deems appropriate.
 - (iii) The CEO may not be present during deliberations or voting concerning the CEO's compensation.

3. Other Executive Officer Compensation.

- (a) Review eligibility criteria and award guidelines for Adtalem's compensation programs in which non- CEO executive officers participate, including all forms of long-term incentive compensation.
- (b) Review and approve recommendations made by the CEO for executive officers, including base salary, annual incentive and equity compensation and perquisites. Approve all long term incentive grants delivered in the form of equity. In evaluating and determining executive compensation, the Committee shall consider the results of the most recent say on pay vote.
- (c) Review the structure and competitiveness of Adtalem's executive officer compensation programs considering the following factors: (i) the attraction and retention of executive officers; (ii) the motivation of executive officers to achieve Adtalem's academic and business objectives; and (iii) the alignment of the interests of executive officers with the long-term interests of Adtalem's stockholders.
- (d) Review and approve Adtalem's peer companies and data sources for purposes of evaluating compensation competitiveness, establishing the appropriate competitive positioning of the levels and mix of compensation elements, and determining Adtalem’s proxy statement disclosures.

- (e) Approve the form of employment agreements and severance plans and policies for Adtalem's CEO and other executive officers, which includes the ability to adopt, amend and terminate such agreements, plans and policies. In connection with reviewing proposed employment agreements or severance plans and policies for such executives, the Committee shall receive information regarding, among other things, the terms of the agreement, competitive practices, and the potential financial implications of the employment arrangement.
- 4. General Compensation Oversight.** Monitor and evaluate matters relating to the compensation structure of Adtalem as the Committee deems appropriate, including:
- (a) Review and approve the total pay-out of short and long term incentive pools, including annual grants of equity awards.
 - (b) Provide guidance to management on significant issues affecting compensation philosophy or policy.
 - (c) Review and approve policies regarding compensation of the CEO and other executive officers.
 - (d) Review the organization's talent development and succession planning efforts for executive officers and other key talent.
 - (e) Oversee risks and exposures related to employee compensation programs and management succession planning, including assessing whether Adtalem's compensation practices encourage risk taking that would have a material adverse effect on Adtalem.
 - (f) Oversee, in conjunction with the Nominating and Governance Committee, engagement with stockholders and proxy advisory firms on executive compensation matters. The Committee shall evaluate and make recommendations to the Board regarding shareholder proposals that relate to executive compensation or other matters over which the Committee has expertise or delegated authority.
- 5. Compensation Consultants, Legal Counsel and Other Advisers.**
- (a) The Committee may, in its sole discretion, retain or obtain the advice of a compensation consultant, independent legal counsel or other adviser.
 - (b) The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any compensation consultant, independent legal counsel or other adviser retained by the Committee.
 - (c) Prior to the Committee selecting, or receiving advice from, any compensation consultant, legal counsel or other adviser to the Committee, other than in-house legal counsel, the Committee shall take into consideration the factors specified in Exchange Act Rule 10C-1(b)(2) and in applicable New York Stock Exchange listing standards regarding that person's independence from management. The Committee shall review such factors with respect to any compensation consultant, independent legal counsel or other adviser at least annually.
- 6. Disclosure.** The Committee shall annually (i) review and discuss with management Adtalem's Compensation Discussion and Analysis ("CD&A") required to be included in Adtalem's filings under the Exchange Act and, based on that review and discussion, determine whether to recommend to the Board that the CD&A be filed; and (ii) prepare the Compensation Committee

Report required by the Securities and Exchange Commission for inclusion in Adtalem's annual proxy statement. The Committee shall also oversee the additional director and executive officer compensation disclosures in Adtalem's annual proxy statement.

- (d) Make recommendations to the Board with respect to the adoption or modification of any recoupment or "clawback" policy and administer and enforce any clawback policy consistent with the terms of the policy.
- (e) Make recommendations to the Board with respect to any position to be taken by the Board regarding "say on pay" votes and the frequency of such votes, review the outcome of such votes, and consider how to respond to the results of such votes, including but not limited to recommendations to the Board as necessary.
- (f) Make recommendations to the Board with respect to any policy regarding hedging or pledging investments in stock of Adtalem by directors, officers and employees of Adtalem.
- (g) Periodically review Adtalem stock ownership by executive officers and non-employee directors, and make recommendations to the Board regarding the establishment and oversight stock ownership and retention guidelines for executive officers and non-employee directors.
- (h) Monitor compensation and regulatory developments and trends.
- (i) Periodically review Adtalem's strategies and initiatives related to the attraction, development and retention of human capital necessary to meet Adtalem's needs, including, but not limited to: (i) diversity and inclusion efforts; and (ii) ESG goals and milestones, as applicable.
- (j) Carry out such other actions and/or duties as may be delegated to it by the Board from time to time.
